The beautiful island of Gozo is a real treasure trove and has provided a unique insight into our country's culture and lifestyle. Different local producers have reaped the benefits of our sister isle.

It astonishes how much rich and fertile the soil is and we are constantly reminded of this every time we open a bottle of wine from Gozo. An added bonus is that Gozo and Malta are very close to each other, thus the wines do not have to travel much and retain their fruity characteristics.

In our wine list we have dedicated a whole page to the Isle of Gozo and its wines as we feel that gozo is a true HIDDEN GEM.
